

Zenatize FOAM-FRESH

PRODUCT USES

Hospital-level, germicidal spray-and-wipe cleaner and surface deodorant. Penetrating foam dissolves and lifts away soils, debris, body oils, grease, grime and stains. Removes rings and discoloration without harmful abrasives. Safe on most hard, non-porous, inanimate surfaces in health care, institutional, public care, and other facilities.

OPERATOR BENEFITS

1. Virucidal, Bactericidal, Fungicidal.
2. Controls mold and mildew.
3. Kills HIV-1 (AIDS virus) and disinfects 10 major organisms.
4. Deodorizes and Disinfects as it cleans and requires no rinsing.

DIRECTIONS FOR USE

DISINFECTION, DEODORIZATION AND CLEANING: To disinfect hard, non-porous surfaces (such as glazed bathroom tiles, walls, fixtures, shower stalls, sinks, bathtubs, hampers, tables and chairs), proceed as indicated below: When disinfecting food contact surfaces such as kitchen counters, tables, cutting boards or appliances, thoroughly rinse the surfaces with potable water. Must not be used to clean/disinfect utensils, glasses, dishes and cookware. Shake can before using. Hold 6 to 8 inches from surface to be treated. Spray area until it is covered with a white foam, allow to penetrate and remain wet for 10 minutes. Wipe off with a clean cloth, mop or sponge. Will not leave grit or soap scum. For heavily soiled areas, remove gross soil before treatment. Not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. May be used to pre-clean or decontaminate critical or semi-critical devices prior to sterilization or high level disinfection.

PRODUCT SPECS

Pack size: 12/18.25 oz. Aerosol	Color: n/a
Characteristics: n/a	Odor: n/a
Rinsability: n/a	Foam: n/a
Flammability: n/a	pH in conc. form: 12.2
